For every congressist or accompanying person*

1 Visit of the city and “bubbles” cable car

70 places / 13€ / 3 h with anglophone guide

Rendez-vous : downtown Grenoble

More than 2050 years of history await you in the heart of the ancient city. From the Gallo-roman rampart to Notre-Dame cathedral to the old Parliament building to the gardens of the Duke of Lesdiguières and the public squares, follow our guide through the winding streets of the historic capital of the Dauphiné region.

By taking the “bubbles” of the Grenoble cable car, our guide takes you up to the Bastille to admire the beautiful panorama stretching from the Vercors to the Obiou mountains and from the Belledonne range to the Mont blanc. You’ll also discover the Bastille fortifications, completed in 1840.

The Archeological Museum of Grenoble takes visitors back in time to the origins of Christianity. Visit the cloister and the underground areas of the ancient church of the Saint Laurent parish (4th century) to discover Merovingian mausoleums and sarcophagi and tombs from the Middle Ages. The Saint Oyand crypt (6th century) remains from an ancient cross-shaped funerary church and is the highlight of the museum, with its gallery of columns and their sculpted capitals. This museum offers an original visit framed around authentic ancient vestiges and modern digital technology, such as 3D simulations.

4 The Grande chartreuse Museum and the Chartreuse Cellars in Voiron

70 places / 5h tour/ 35€ with anglophone guide

Rendez-vous : in AlpExpo conference center

©OTG_L.Ravier

Nestled in the heart of an exceptional natural setting, the Grande Chartreuse monastery protects a community of monks who have taken a vow of silence. The museum, just 2 km away, allows visitors to discover the Carthusian monks, their vocation, the important steps of their life, and the rhythm of their daily life.

To complete your discovery of the Carthusian monks, stop by the world's largest liqueur cellars. Only two monks know the secret recipe for green and yellow Chartreuse, as well as the elixir of long life, all containing more than 130 plants. A tasting at the end of the visit will allow you to fully appreciate this fine product
